

Comoda

Materials Guide

Comoda is available
in a curated selection
of quality fabrics
and leathers.

Hand selected by our designers, offering a wide collection of colour, texture and complementing textiles responding to aspirations of extraordinary cosiness and the inherent beauty of considered form. Explore the possibilities throughout our Materials Guide.

Tier 1 Premium

Our most premium textiles offer refined character and textures of the finest quality fabrics, velvets and leathers — enhancing the sumptuous ambience and sculptural form of Comoda.

Type	Name	Composition
Fabric	Kvadrat Pilot	82% New Wool, 10% Polyester, 8% Nylon
	Kvadrat Harald 3	100% Cotton
	Casamance Espoir 3827	32% VI, 30% CO, 26% PC, 12% PL
Leather	Pelle Barolo	Aniline leather with a smooth, matt appearance
	Pelle Toledo	Vacuum dried aniline leather with soft waxed surface

We do our very best to make sure our fabric and leather colours shown are as close to the actual product colour as possible but we cannot guarantee that what you see is an exact match. Fabric and leather colours displayed in this document are indicative only. Not all monitors and printers are calibrated equally, due to the many variations across devices and browsers, colours shown may appear differently. Always refer to a physical sample of the fabric or leather prior to confirming your product order.

Tier 1 Premium Fabric

Kvadrat Pilot

82% New Wool, 10% Polyester, 8% Nylon

The nubby texture of a bouclé weave is closely associated with high-end fashion garments. Created by weaving with a combination of tight and loose yarns that leave little loops and circlets on the surface of the textile, the irregularities in surface texture and colour result in a very sophisticated fabric that is none the less suitable for general upholstery.

Kvadrat

Kvadrat provides a universe of timeless, visionary textile solutions, established in Denmark in 1968. As leaders in design innovation, Kvadrat produces quality, contemporary textiles which push the boundaries of aesthetics, technology and function. Renowned for their collaborations with artists, fashion designers and architects, their premium fabric collections are at the forefront of style and sophistication.

Kvadrat Harald 3

100% Cotton

A closely-woven, very short-pile velour, Harald 3 brings the fresh, soft texture of cotton to a directionless velvety textile. The intense colour offered by this matte velour places the focus strongly onto the silhouette of the upholstered object, emphasising its shape and contours.

Fabric Upholstery.

Pelle Leathers is a leading Australian supplier of premium environmentally accredited upholstery leathers produced in Italy from European raw material, with a focus on quality and sustainability.

Comoda Armchair in Pelle Toledo 4520 Leather Upholstery.

Tier 1 Premium Leather

Pelle Barolo

Barolo is a sumptuous aniline leather with a smooth, matt appearance. To emphasize nature and the true characteristics of an aniline leather, natural markings such as growth marks and fat wrinkles are retained, being unique characteristics to each hide. These features of an aniline leather, combined with a protective surface wax application, ensures Barolo is suitable for both commercial and residential applications.

Pelle Toledo

Toledo is an exquisite vacuum dried aniline leather with a soft waxed surface that is instantly alluring in both handle and appearance. Produced on the finest of European raw material and with an extensive and diverse colour palette, Toledo is sure to attract the most discerning of specifiers. Age and wear will only enhance this leather.

Tier 2 Fabric

Kvadrat Divina Melange 3 100% New Wool

Divina Melange 3 is a vibrant piece-dyed woollen upholstery textile reminiscent of felt. Cheerfully simple, it comes in a fresh, versatile palette by artist and designer Finn Sködt. Compact, comfortable and extremely smooth, the fabric expresses colours and the shape of furniture particularly well. The colour palette combines signature nuances, together with chalky notes and neutral shades.

At Work with Camira Yoredale 95% Wool, 3% Polyester, 2% Polyamide

Yoredale is a highly textured loop-pile wool with undulations reflective of its Yorkshire roots. Its fascinating bouclé style yarn includes a contrasting black binder, creating subtle details within the weave that brings added depth to its saturated tones. Woven from British wool, Yoredale is a truly timeless fabric available in a diverse palette of shades.

Tier 2 Fabric

At Work with Camira Synergy

95% Virgin Wool, 5% Polyamide

Synergy is a soft handle wool blend fabric, featuring exquisite fibre dyed shades and sumptuous piece dyed solids. Lovingly brought to life in Yorkshire's textile heartland, from premium New Zealand wool. Delicately spun and milled for the smoothest, strongest finish, creating a refined cloth which beautifully handles organically-formed upholstery.

Tier 2 Leather

Pelle Panorama

Panorama is a superb pigmented leather in which the natural grain has been retained, exhibiting the natural hallmarks and variations in the leather. Its ultra-smooth finish is due to being vacuum dried in the tanning process thus providing a very full soft handle. With high durability and light fastness, Panorama breathes well and is suitable for the most demanding commercial or residential applications.

Pelle Leathers

Pelle Leathers is a leading Australian supplier of premium environmentally accredited upholstery leathers produced in Italy from European raw material. The Casa and Panorama collection feature warm and cool earthy tones. Beautifully textural with ultra-smooth natural grain, Pelle Leathers are durable and their colourfastness make these collections a great choice for residential and commercial applications.

Pelle Casa

Casa is a corrected grain leather in which the natural grain has been removed and replaced with an embossing and is aniline drum dyed. Due to this process, the leather is durable, providing a great economical leather.
